**Agency Discount: Great Rental – Guy Schlacter RPOS #3611982**

## Ski Equipment

**Performance:** In a word: carving. Versatility is everywhere. This package offers skis that are quick, stable, and responsive with precise edge hold for all types of terrain. Comfortable boots provide fully adjustable fit for proper edge control and all day comfort. Bindings combine excellent shock absorption capacity with consistent performance.

**Demo:** The goods. This package features the best stuff on the market for whatever it is you like to do. If you want to point them downhill and let them run, bang down a zipper line in the bumps, take big GS turns or want to live in the 'pow this category will not disappoint.

**Sport:** This package offers the opportunity to get on "shaped" skis that are specifically built to instill confidence in a beginner's ability and allow for the most fun during your time on the mountain. Specifically, comfort, control and economy are the benchmarks of this package.

**Junior:** Skiers of all abilities and sizes can now benefit from new shaped ski technology. Our junior collection represents the very best in technology for your future champions!

**NOTE:** FREE JUNIOR RENTALS\* with purchase of an Adult Performance or Demo Ski packages, or Snowboard Package.

\*black-out dates for the free junior package apply, and instead will receive the discount rate.

Examples: December 19 – 31 || January 16 – 19 || February 13-16 || March 7 – 26

## Snowboard Equipment

**1<sup>st</sup> Class Snowboards:** The ultimate in high performance boards. If you need to slash the lip of a cornice, get deep in the light stuff, power through or hit kickers in the park, charge it all on these boards. Enough said.

**Coach Snowboard:** This package is a combination of boards that offer solid performance for cruising groomers, the park or backcountry. They're lightweight, feature ample versatility and maneuverability, with no loss in power. A good place to start whether you want a proven weapon for the park or are just getting started.

**Junior Snowboard:** Just like the adult boards, junior boards are built for performance. But these boards aren't just smaller versions of the adult boards. They're built to be more forgiving, yet tough enough to withstand your little rider's abuse.
